Foremost Universal LP
6614 - 50th Ave
Lloydminster, AB
T9V 2W8

Attention: Kyle Masse

File Number: 52645 [0 V]

Re: Manufacturer: Foremost Universal LP
Item: VERTICAL SEPARATOR
Drawing Number: EDS-6151 Rev.1

TSASK Codes and Standards Compliance has registered the design listed above in accordance with The Boiler and Pressure Vessel Act and Regulations. The Canadian Registration Number (CRN) is:

U5078.23

This item was registered with the following design conditions:

MAWP:	4137 kPa	Design Temp:	260 °C
MDMT:	-29 °C	Corrosion Allowance:	3.2 mm

Please note that every piece of equipment must be constructed in strict accordance with the registered design.

In addition to stamping every unit with the CRN given, and as required in CSA B51, a Manufacturer's Data Report shall be forwarded to this office at the time the unit is shipped. The Manufacturer's Data Report form is available on the TSASK website at www.tsask.ca. Follow the links from the Codes and Standards Compliance page.

Should you require anything further, please do not hesitate to contact the Codes and Standards Compliance Office at your convenience.

Yours truly,

Mohammad Rokanuzzaman, P.Eng.
Codes and Standards Compliance

Remarks:

CRN registered under reciprocal agreement and conditional upon compliance with the notes on the original registration.
